Address to ship semen to _____

Contact for semen _____

The stallion will be collected at the facility owned by Doug Ruppert at 772 Heck Hill Road, Lewisberry, PA 17339. You can call him at 717-648-8888. Doug charges \$350 US Dollars per collection -- this must be PREPAID or he will not ship to you. This is an inclusive fee that covers the collection, preparation of the semen, the container and the shipping costs. Please give Doug a call as early as possible so he knows of your intentions to request semen. He will not ship to you unless you have signed this contract and returned it to Sue Wells at Sapphire Farms. Fax number is 717-932-0823.

Doug will be collecting the stallion every other day as needed at the facility. The attending veterinarian service at Doug's barn are the vets from Green Glen Equine Hospital in Glen Rock, PA. Since Doug's barn is also a show barn there may be times in the year that he is at a show and not always available to collect. Please call Doug and plan accordingly.

The mare owner is expected to pay the stud fee of \$1000 US Dollars/Purebred or \$800/NonArabian **When the mare is checked in foal by a veterinarian at 90 days of pregnancy.** A fax from your mare's veterinarian with her pregnancy status is due at that time and if confirmed in foal the stud fee is expected to be paid IN FULL. If your mare does not get in foal for any reason you do not have to pay the stud fee and you are not obligated to breed back.

This contract is unusual due to the fact that the stud fee is payable after your mare is in foal. If you decide to wait to pay your obligation at that time please be aware that **there is a late fee of \$25 US Dollars per month if the stud fee is not paid promptly once your mare is confirmed in foal at the 90 day check.**

The stud fee and any late fees for the breeding of the above named mare must be paid in full before a Breeders Certificate is issued to you for your resulting foal. There is a live foal guarantee for mares that slip the foal late

during pregnancy or if they deliver a foal that does not stand and nurse. Sapphire Farms and the owners of the stallion have the option of returning the stud fee or giving the mare owner the chance of breeding back the following year, at their discretion.

If you are interested in breeding to Om El Najeeb Dream print this form, fill it out and fax it **with a copy of your mare's AHA registration papers** to 717-932-0823 to make your intentions known. Mares booked to Najeeb must provide documentation that they test clear of CA. Also, we cannot guarantee that we can ship semen to last minute customer requests.

Those who return the form early will get first priority until bookings are full.

I have read the above contract, I understand it and I agree to the terms and conditions set forth in it.
